

Interagency Committee on Pesticides

415 ILCS 60/19

Interagency Committee on Pesticides. The Director is authorized to create an interagency committee on pesticides. Its purpose is to study and advise on the use of pesticides on State property. Also, its purpose is to advise any State agency in connection with quarantine programs or the protection of the public health and welfare, and to recommend needed legislation concerning pesticides.

1. An interagency committee on pesticides shall consist of: (1) the Director of the Department of Agriculture, (2) the Director of Natural Resources, (3) the Director of the Environmental Protection Agency, (4) the Director of the Department of Public Health, (5) the Secretary of the Department of Transportation, (6) the President of the University of Illinois or his or her designee representing the State Natural History Survey and (7) the Dean of the College of Agriculture, University of Illinois. Each member of the committee may designate some person in his department to serve on the committee in his stead. Other State agencies may, at the discretion of the Director, be asked to serve on the interagency committee on pesticides. The Director of the Department of Agriculture shall be chairman of this committee.
