

**You are not automatically accredited by attending this orientation - you need to apply for accreditation with the area office in your state.**

**VETERINARY ACCREDITATION ORIENTATION**

**I have received an orientation in the following topics:**

1. Federal animal health laws, regulations, and rules;
2. Interstate movement requirements for animals;
3. Import and export requirements for animals;
4. USDA animal disease eradication and control programs;
5. Laboratory support in confirming disease diagnoses;
6. Ethical/Professional responsibilities of an accredited veterinarian; and
7. Animal health procedures and issues relevant to the State in which the Veterinarian wished to perform accredited duties.

**I have received the following materials:**

- Standards for Accredited Veterinarian Duties
- National Veterinary Accreditation Program: Reference Guide
- Illinois Specific Information and Statutes for Accredited Veterinarians

**Access the following information on the APHIS Website at**
