November 2014

Dear Breeders and Owners,

We are pleased to present the Illinois Department of Agriculture's 2014 Foal Registration Annual Report. Information on all breeds, Standardbred, Thoroughbred and Quarter Horse, has been combined into one report that provides an easy reference tool listing the foals eligible for our breeding and registration programs. Note that since racing continues throughout the year, all tables that include purse information are final through calendar year 2013.

We would like to thank all those involved in the racing industry for your continued support and participation. We look forward to working with you in 2015!

Sincerely,

Rhonda Jachino
Acting Bureau Chief
County Fairs and Horse Racing
