

The Department of Agriculture has 22 barns and over 500 stalls available for rent on the backstretch of the track, for use by racing horses. If you are interested in renting space in the barns, please send an email or call at the email address or phone number below, and someone from County Fairs and Horse Racing will get back to you in 2 business days or fewer.

Some things to know about renting:

- Stall rental is \$50.00 per stall.
- Manure removal is \$62 per stall unless you have a dumpster contract. A copy of your dumpster contract will be needed for every month of your stay on the Fairgrounds.
- All payments must be made by the 1st of the month. Payment is due at the time of signing of a new contract. Checks should be made payable to the Illinois Department of Agriculture.
- Specific stalls in specific barns will be assigned to each renter.
- Please bring your driver's license or government issued state identification card when you sign the contract; a copy will be needed for our records.
- No access to the track will be granted without a paid contract

The Department currently offers only monthly contracts. Weekly contracts and day passes are likely to be available in the early Summer.

If you will be arriving before 8am or after 4pm, you must have a contract in place prior to your arrival. County Fairs and Horse Racing will provide the needed information to State Fairgrounds Information to allow you into your barn and stalls, but only if you have a contract in place already.

For any questions related to this, please contact AGR.CFHR@illinois.gov or 217-782-4231
