To renew the certification of your stallion with the Illinois Department of Agriculture's Quarter Horse Breeders Fund Program, return the enclosed Renewal Application **prior to December 31, 2020**. If your stallion has died, is to be sold, or will not be used for breeding purposes, please notify the office.

1. **Complete the Annual Application for Stallion Certification.** Be sure to sign the back page and return before **December 31, 2020**. *The Renewal Application will not be accepted without the written signature of the owner.*

1 - 30 days late .....	\$ 50.00
31 - 45 days late .....	\$150.00
more than 45 days late .....	\$250.00

2. **If the ownership of the stallion has changed in any respect**, please contact this office immediately as a new Application for Stallion Certification must be submitted and approved prior to covering or inseminating any mares.
3. **Ownership address changes** must also be reported to the Department immediately.
4. **In the event that the stallion is leased**, lessee must provide a copy of current, signed, lease document. The lease must include effective commencement and termination dates. **Both signatures**, owner's and lessee's, are required on the Application.

6. **If you plan to race this stallion** during the year for which he is certified with the Department as a breeding stallion you must notify the Department of your intent and this office must be apprized of his whereabouts. Permission must be obtained if you are racing him out-of-state. **Under no circumstances may he service mares at any location other than the reported standing location.**
7. **Transported Fresh Semen.** Transporting fresh semen from Illinois-registered stallions is allowed provided both the mare and stallion are in Illinois at the time of collection and insemination and the Illinois Department of Agriculture is properly notified.
