

52nd Annual
Illinois Agricultural Legislative Day

March 22, 2022
Springfield, Illinois

Please join us virtually for the 52nd Annual Illinois Agricultural Legislative Day (IALD) on Tuesday, March 22, 2022. IALD brings together representatives from nearly 50 diverse agricultural organizations to meet with state lawmakers. This provides an opportunity to strengthen and build relationships among various entities effecting Illinois agriculture.

A special thank you to our agriculture groups, for providing the essentials for IALD including a box lunch and a commodity basket for each legislator. We are also fortunate to have the support of more than 1,000 Illinois FFA members and their vocational-agriculture teachers.

It is our agricultural community who makes this event truly successful. We appreciate your commitment and support for the 52nd IALD.

To register for the 2022 IALD, please fill out the registration forms in this packet and return to Jackie Sambursky at jackie.sambursky@illinois.gov.
