INCOMPLETE APPLICATIONS

An Application will be considered incomplete and returned to the Applicant if it is illegible to reviewers, if it fails to follow instruction included in this Application, or if the material presented in this Application is insufficient to permit an adequate review.

APPLICATION REVIEW AND SUBMISSION

All Project applications received by IPERC are discussed and reviewed by a Member Grants Panel ("Panel"), consisting of current sitting members of IPERC. Applications are reviewed by the Panel for topic category, inclusion of proper information and conformity to IPERC goals and objectives. Interviews, if necessary, will be conducted before a formal recommendation is presented to all members of IPERC. Additional interview may be requested by the full membership of IPERC before a decision is made. Applicants will be notified of IPERC's decision on the Application in a timely manner.

Applications can be obtained and completed at any time during the year. Completed applications must be submitted to the Member Grants Panel 30 days in advance of the IPERC quarterly meeting, for the application to be presented to the full membership of IPERC.

CONFIDENTIALITY OF APPLICATION INFORMATION

IPERC's intent is to use data included in grant applications for evaluation purposes only. The use and disclosure of such data may be restricted, provided that the applicant marks the cover sheet of the application and each page containing restricted data with the term "Confidential Proprietary Information."

VERIFICATION

I verify that I am authorized to make this application, and that the statements made herein, including all attachments and exhibits, are true and correct to the best of my knowledge.

Cost-Benefit Analysis

This is a continuation of the 2020 Natural Gas Expansion Consumer Awareness Campaign, it is difficult to predict the outcome of this campaign. That being said, the Illinois Propane Gas Association is confident that with a continued positive message about propane, this project will be a great success.
