(Source: P.A. 94-261, eff. 1-1-06.)

(30 ILCS 120/10)

Sec. 10. (a) Effective with fiscal year 1987, each county fair's authorized base shall be set at 66 2/3% of the approved amount of premium paid in either fiscal year 1984 or 1985, whichever year has the largest approved amount. The authorized base of the Gallatin, Montgomery and Massac county fairs for fiscal years 1987 and 1988 shall be \$15,000 each. If there is a change in the appropriation, the Director shall allocate to each fair the same percentages of that appropriation as it received of the authorized bases for all fairs.

(b) The Department shall reimburse each eligible county fair as follows:

100% of the first \$2,000 of approved premiums awarded at each eligible county fair;

85% of the next \$2,000;

75% of the next \$3,000;

65% of the next \$3,000;

55% of the next \$4,000; and

50% of the remaining premiums paid until the total reimbursement equals the authorized base amount for each fair.

(c) If, after all approved state aid claims are paid for the current year pursuant to subsection (b) of this Section, any amount remains in the appropriations for state aid, that remaining amount shall be distributed on a grant basis. If the total amount of excess approved state aid claims over the authorized base is equal to or less than the remaining amount appropriated for state aid, then each participating fair shall receive a grant equivalent to the excess of its approved claim over its authorized base. If the total amount of excess approved state aid claims exceeds the remaining monies appropriated for state aid, the grants shall be distributed to the participating fairs in proportion to the total amounts of their respective excess approved claims. If, after all approved claims are paid, any amount remains, that amount shall be

distributed to all county fairs eligible under this Section in proportion to their total state aid claims. Fairs filing approved claims exceeding both their authorized base and the grant provided for in this subsection shall participate in the Growth Incentive Program set forth in Section 10.1. Grant monies received by a county fair shall be used only for premiums, awards, judge's fees, and other expenses incurred by the fair which are directly related to the operation of the fair and approved by regulation of the Department. Each fair shall file with the Department a fiscal accounting of the expenditure of the grant monies received under this subsection each year at the same time it files its report under Section 12 in relation to the fair held in the next succeeding year. Effective with fiscal year 1989 and each odd numbered fiscal year thereafter, the authorized base of all participating county fairs shall be adjusted by applying 6 2/3% to the amount of approved premiums paid in the higher of the previous 2 fiscal years. (Source: P.A. 91-934, eff. 6-1-01.)

(30 ILCS 120/10.1)

Sec. 10.1. Fairs with approved state aid claims exceeding both their authorized base and the grant provided for in subsection (c) of Section 10 of this Act, hereinafter referred to as eligible claims, shall receive a special appropriation from the Growth Incentive Program as provided in this Section. If the total amount of eligible claims is equal to or less than the amount appropriated for the Growth Incentive Program, then each participating fair shall receive the amount of its eligible claim. Should the total amount of all such eligible claims exceed the monies appropriated for this program, the amount appropriated shall be distributed to the several participating fairs in proportion to the total amounts of their respective eligible claims. If, after all approved claims are paid, any amount remains in the special appropriation for this program, that remaining amount shall become a part of the grant program for all county fairs as provided for in subsection (c) of Section 10 of this Act. (Source: P.A. 81-159.)

(30 ILCS 120/12)

Sec. 12. On or before October 15 of each year, the president and secretary of each county fair claiming state aid shall have postmarked to or shall file with the Department a fiscal accounting of the expenditure of the grant monies received under Section 10 and a sworn statement of the actual amount of cash premiums paid at the fair that year. The sworn statement shall state the following:

a) That all gambling and gambling devices which are declared unlawful by laws of Illinois and the sale of alcoholic liquors other than beer have been prohibited and excluded from the grounds of the fair and from adjacent grounds under the fair's authority, during the fair and at all other times when the fairgrounds or adjacent grounds are in the possession of and under the immediate control and supervision of the fair officials.

(b) That all receipts from any source other than admissions to the grandstand and entry fees for races, not necessary for the payment of labor and advertising, have been prorated among all other claims and expenses or that all other claims and expenses have been paid in full. The statement shall correspond with the published offer of premiums, and shall be accompanied by an itemized list of all premiums paid upon the basis of the premiums provided, a copy of the published premium list of the fair, and a full statement of receipts and expenditures for the current year that has been duly verified by the president and secretary of the fair. The Department may within the period not to exceed 30 days after a fair has filed its claim pay 75% of the fair's authorized base amount if the claim for premiums filed is equal to or exceeds such fair's authorized base for that year. If the claim filed is less than the fair's authorized base, the Department shall only pay 75% of the amount of the claim filed. Should the amount paid a fair exceed the amount authorized after the final audit of such claim, then the fair shall within 30 days after notice by the Department pay to the Department the difference between the amount received and the amount as approved for such fair in the final audit as long as funds are available.

(30 ILCS 120/13)

Sec. 13. Rehabilitation. Except as otherwise allowed by the Director, to qualify for disbursements made by the Department from an appropriation made under the provisions of this Section, the land on which the fair is held must be owned by the county fair board participating in this disbursement or by a State, city, village, or county government body, or be held under a lease that is at least 20 years in duration, the terms of which require the lessee to have continuous possession of the land during every day of the lease period. No county fair shall qualify for disbursements made by the Department from an appropriation made under the provisions of this Section unless it shall have notified the Department in writing of its intent to participate prior to obligating any funds for which reimbursement will be requested. Each county fair shall be reimbursed annually for that part of the amount expended by the fair during the year for liability and casualty insurance, as provided in this Section, and the rehabilitation of its grounds, including major construction projects and minor maintenance and repair projects; as follows:

100% of the first \$5,000 or any part thereof;

75% of the next \$20,000 or any part thereof;

50% of the next \$20,000 or any part thereof.

The lesser of either \$20,000 or 50% of the amount received by a county fair pursuant to this Section may be expended for liability and casualty insurance. If a county fair expends more than is needed in any year for approved projects to maximize State reimbursement under this Section and provides itemized receipts and other evidence of expenditures for that year, any excess may be carried over to the succeeding year. The amount carried over shall constitute a claim for reimbursement for a subsequent period not to exceed 7 years as long as funds are available. Before June 30 of each year, the president and secretary of each county fair which has participated in this program shall file with the Department a sworn statement of the amount expended during the period July 1 to June 30 of the State's fiscal year, accompanied by itemized receipted bills and other evidence of expenditures. If the Department approves the claim, the State Comptroller is authorized and directed to draw a warrant payable from the Agricultural Premium Fund on the State Treasurer for the amount of the rehabilitation claims. If after all claims are paid, there remains any amount of the appropriation for rehabilitation, the remaining amount shall be distributed as a grant to the participating fairs qualifying for the maximum reimbursement and shall be distributed to the eligible fairs on an equal basis not to exceed each eligible fair's pro rata share granted in this paragraph. A sworn statement of the amount expended accompanied by the itemized receipted bills as evidence of expenditure must be filed with the Department by June 30 of each year.

(30 ILCS 120/14)

Sec. 14. 4-H. University of Illinois extension units that conduct at least one show or exhibition of the eligible members' project work approved by the State 4-H Office and that pay premium moneys, including \$800 maximum in judges' fees, shall be eligible to participate in an appropriation made for this purpose by the General Assembly. As directed by the University, each county's extension leader shall report to the State 4-H Office the eligible number of members participating in the 4-H year. The University shall then file with the Bureau of County Fairs and Horse Racing an accountability for Agricultural Premiums report certifying the number of eligible 4-H members. All appropriated moneys are to be fully expended as specified (see Part 260 Fairs Operating under the Agricultural Fair Act Sec. 260.305). If moneys are not fully expended, they shall be returned to the Illinois Department of Agriculture, Bureau of County Fairs and Horse Racing. The provisions of this Section shall not apply to more than one show or exhibition per calendar year of any one class or type of project work. Based on each year's specified appropriation and as determined by the Department, the county or extension unit shall participate at a rate predetermined by the Bureau per eligible member for the year as recorded in the State 4-H Office.

(b) Premium payments. The extension leader of each county or unit shall certify to the State 4-H Officer under oath on a form furnished by the Department the projected amount to be paid out in premiums per exhibitor at the show or exhibition for the current fair season and the name of the officer or organization

making those projections. The certification shall be based upon the certified number of eligible 4-H members from the previous 4-H year, reported to the Department as of December 31 of that year. Upon receipt of the certification the Department shall make payment to the officer or organization in accordance with the provisions of this Section.

(c) Reimbursement for judges' fees and ribbons. The extension leader of each county or unit shall certify to the State 4-H Officer under oath on a form furnished by the Department the amount paid out in judges' fees and ribbons at the show or exhibition for the current fair season and the name of the officer or organization making the payments. This certification shall be accompanied by itemized receipts as evidence of the certified amounts, and it must be filed with the Department before December 31 of each year. Upon receipt of the certification the Department shall reimburse the officer or organization making the payments in accordance with the provisions of this Section. (d) Subject to continued appropriation and availability of cash. All extension publications stating that cash premiums will be awarded shall recite that awards are subject to modification or cancellation in any year for which the General Assembly fails to make an appropriation to fund the premiums.

Sec. 16. Agricultural Education. Agricultural Education Section Fairs, which shall not be located in more than 25 sections, shall be organized and conducted under the supervision of the Department. The Department shall designate the sections of the State for Agricultural Education Fairs. These fairs shall participate in an appropriation at a rate designated by the Bureau that is in compliance with the current year's appropriation for each section holding an Agricultural Education Section Fair or Fairs during the current year. Such monies are to be paid as premiums awarded to agricultural education students exhibiting livestock or agricultural products at the fair or fairs in the section in which the student resides. No premium shall be duplicated for any particular exhibition of livestock or agricultural products in the fair or fairs held in any one section. Within 30 days after the close of the fair, a section fair manager as designated by the Department shall certify to the Department under oath on forms furnished by the Department a detailed report of premium awards showing all premiums awarded to agricultural education students at that fair. Warrants shall be issued by the State Comptroller payable to the agricultural education teacher or teachers on vouchers certified by the Department. If after all approved claims are paid there remains any amount of the appropriation, the remaining portion shall be distributed equally among the participating agricultural education section fairs to be expended for the purposes set forth in this Section. A fiscal accounting of the expenditure of funds distributed under this paragraph shall be filed with the Department by each participating fair not later than one year after the date of its receipt of such funds. (Source: P.A. 94-261, eff. 1-1-06.)

(30 ILCS 120/17) Updated

Sec. 17. Fair and Expositions. Any county fair eligible to participate in appropriations made from the Agricultural Premium Fund may elect instead in any odd numbered year to participate in the appropriation from the Fair and Exposition Fund. The Department must be notified of such election by January 1 of the year of participation in that fund. Any such election shall be binding for 4 calendar years. No county fair shall participate for the same calendar year in appropriations under both this Fund and the Agricultural Premium Fund.

In counties where a Fair and Exposition Authority participated in 1999, the Fair and Exposition Authority shall transfer all remaining funds to the county fair in such county within 30 days of the effective date of this amendatory Act of the 99th General Assembly. Upon the transfer of such funds to the county fair, the terms of the Authority's members shall terminate and the Authority shall cease to exist. (Source: P.A. 94-261, eff. 1-1-06.)

(30 ILCS 120/18) Updated

Sec. 18. Money shall be paid into the Fair and Exposition Fund by the Illinois Racing Board, as provided in Section 28 of the Illinois Horse Racing Act of 1975. The General Assembly shall from time to time make appropriations payable from such fund to the Department for distribution to county fairs. Such appropriations shall be distributed by the Department to county fairs which are eligible to participate in appropriations made from the Agricultural Premium Fund but which elect instead to participate in appropriations made from the Fair and Exposition Fund. If a county has more than one county fair, such fairs shall jointly elect to participate either in appropriations made from the Agricultural Premium Fund or in appropriations made from the Fair and Exposition Fund. All participating county fairs of the same county shall participate in the same appropriation. Except as otherwise allowed by the Director, a participant, to be eligible to expend moneys appropriated from the Fair and Exposition Fund for the purchase of new or additional land construction or maintenance of buildings, grounds, facilities, infrastructure, or any improvement to the grounds must hold the land on which such fair or exposition is to be conducted as a fee or under a lease of at least 20 years, the terms of which require the lessee to have continuous possession of the land during every day of the lease period, or must be owned by the fair association participating in this disbursement, by an agricultural society, or by a fair and exposition authority.

Each year, beginning in State fiscal year 2001, each county fair or Fair and Exposition Authority that received moneys from the Fair and Exposition Fund during State fiscal year 2000 shall receive from that Fund an amount equal to that received in State fiscal year 2000. If an eligible county fair elects to begin participation in an appropriation from the Fair and Exposition Fund in State fiscal year 2001 or thereafter, an additional amount shall be appropriated not to exceed an amount equal to the number representing the last official census of that county multiplied by the amount determined by dividing the amount appropriated for State fiscal year 2000 by the total official census of those counties that participated in State fiscal year 2000, except that no county fair shall receive an amount greater than the largest amount received by a county fair or Fair and Exposition Authority in 2000. Section 260.10 Appropriations

a) Eligibility of fair associations or agricultural societies to participate in appropriations from the Agricultural Premium Fund shall be as set forth in Sections 3, 5 and 7 of the Act. Any newly organized fair association or agricultural society must receive an appropriation for their first year's fair as set forth in Section 6 of the Act, and in subsequent years the Department of Agriculture shall include the appropriation for that fair as part of its annual budget.

b) Appropriations made to the Department of Agriculture for disbursement to fair associations or agricultural societies shall not be used to pay for personnel, premiums and expenses of acts which are primarily for the entertainment of persons (e.g., grandstand shows, variety acts, bands, clowns, queen contests, showmanship events, machinery shows, demolition derbies, parades, balloon races, auto races, motorcycle races, human races, baton twirling, bocce ball, and amateur contests), except for those exhibits and events relating to agriculture as identified in Section 9 of the Act. 4-H Club fairs and exhibitions receive an appropriation in accordance with Section 14 of the Act and, therefore, 4-H Club classes do not qualify for reimbursement of State Aid for premiums paid.

c) Appropriations shall not be used for salaries of officers of the fair or for personnel hired or contracted for by the fair officers (Sections 9 and 22 of the Agricultural Fair Act, 30 ILCS 120/9 and 22).

d) Contributions, such as money, ribbons, trophies, rosettes, blankets, or wreaths, made by and/or expenses incurred by persons or organizations sponsoring events or classes, other than the fair association or agricultural society, are not eligible for premium State aid.

(Source: Amended at 28 Ill. Reg. 11091, effective July 23, 2004)

Section 260.15 Declaration of Intention

a) On or before December 31 of the year preceding the year in which a fair association or agricultural society will participate in the Agricultural Premium Fund appropriation, the fair association or agricultural society shall file a Declaration of Intention with the Bureau. A fee of \$25 will be deducted each day the Declaration is late from the total premiums claimed. The Bureau shall mail Declaration of Intention forms to each fair association or agricultural society that participated in the previous year's appropriation and to any newly organized fair that receives an appropriation in accordance with Section 6 of the Act.

b) The following information shall be submitted on the Declaration of Intention:

1) Names and addresses of the fair's officers.

2) The location of the fair.

3) The dates of the next year's fair.

4) The approximate amount of premiums to be offered in each department and the maximum amount of premiums to be offered by the fair.

5) Name, address and telephone number of the person who is responsible for filing the premium grand summary report if this person is other than the secretary of the fair association or agricultural society.

6) Signatures of the officers (i.e., President, Secretary and Treasurer) of the fair association or agricultural society.

c) The secretary or the designated contact person for the fair shall notify the Bureau in writing when changes occur in the fair's officers and/or the person designated as the contact person.

- d) Once the Declaration of Intention is filed with the Bureau, the dates of exhibition may be changed only due to an emergency or because the wrong dates were submitted. Before the fair association or agricultural society may change the dates of exhibition or advertise such change, the fair association or agricultural society must notify the Bureau in writing and request the dates of the fair be changed, giving the new dates and the reason for such change. The Bureau shall approve the change in the dates when an emergency exists (e.g., the fair cannot get a carnival, events conflict with a neighboring fair or the State Fair, rehabilitation or repair projects are not completed, or severe weather caused destruction to the facilities) or if the change in the dates will avoid conflict with neighboring fairs or the State Fair.
- e) Before any change is made in the amount of premiums offered in the fair's program from that amount as originally submitted on the Declaration of Intention, the fair association or agricultural society shall contact the Bureau. The Bureau shall approve changes in the amount of premiums offered when the number of participants in or lack of participation in classes indicates such change is needed or when costs, such as for trophies, ribbons, rosettes, or engraving, were omitted from the Declaration of Intention until the fair's premium book is printed.

Section 260.20 Premium State Aid Payable on the Authorized Base

- a) Premium State aid shall be paid to the fair association or agricultural society based upon each fair's authorized base. The authorized base shall be determined in accordance with the provisions of Section 10(a) and (b) of the Act. The authorized base for newly organized fairs shall be the same as the first year's appropriation for that fair.
- b) The distribution of premiums must be in compliance with the provisions of Section 9(a) of the Act in order to be eligible for premium State aid.
- c) The premium grand summary report shall be filed with the Bureau in accordance with provisions of Section 12 of the Act and Section 260.100.
- d) Failure to comply with the provisions of this Section shall cause all premiums awarded in those classes where the violation occurred to be ineligible for premium State aid.

Section 260.25 Denial of State Aid Claim (Repealed)

(Source: Repealed at 9 Ill. Reg. 3233, effective March 1, 1985)

Section 260.30 Premiums and Receipts for Premiums Paid

- a) All premiums shall be paid by the fair association or agricultural society to the winners and persons who placed in each class prior to the filing of the premium grand summary report. A receipt showing the amount of each premium paid shall be signed by the exhibitor who won or placed in the class and was paid the premium. If the exhibitor is unable to personally pick up the premium money, the person picking up or mailing the check shall sign his or her name and provide his or her address.
- b) All receipts for premiums paid shall accompany the premium grand summary report in support of claims. If, in a few cases, the secretary or the person designated to file the premium grand summary report is unable to obtain a signed receipt, the cancelled check or a photostatic copy of the cancelled check shall be attached to the unsigned receipt. The cancelled check (or copy of the cancelled check) shall remain as a part of the premium grand summary report and shall not be returned to the fair association or agricultural society. The original of the receipt shall accompany the premium grand summary report, a copy of the receipt shall be given to the exhibitor, and a copy of the receipt shall be retained for three years by the fair association or agricultural society.
- c) Each exhibitor's receipt shall be totaled separately. The receipts shall be kept separated according to each department.
- d) Premium State aid will be paid on a maximum of two premiums awarded to the same exhibitor under the same premium number. Where only one exhibit is entered in a class, the exhibit shall be declared first place and be paid the first place premium. Premium State aid shall be paid on a maximum of

10 placings under any one premium number. The premium amounts must be on a graduated scale.

e) The costs of ribbons, rosettes and trophies, including engraving, are eligible for premium State aid when they are awarded in classes that are eligible for premium State aid. An itemized invoice showing only the items as before stated that are eligible for premium State aid shall accompany the premium grand summary report. Invoices for trophies, ribbons, or rosettes must show the business from which they were purchased. Where the ribbon, rosette, trophy and/or the engraving on the trophy is paid by an organization or person sponsoring the event, these costs are not eligible for premium State aid.

f) In order to qualify for premiums, entries must show in their proper classes (i.e., according to age, sex, breed, or other qualifications as established for the exhibit or event by the fair association or agricultural society; five-gaited horses cannot show as three-gaited, and polled herefords cannot show in the horned hereford class). Combining of classes, such as the polled herefords with the horned herefords, will disqualify such combined classes for premium State aid, except where the classes were advertised as combined classes in the premium book.

Section 260.35 Stall or Pen Fees

Stall or pen fees must be published in the premium book (see Section 260.55) and once they are published they cannot be changed. The fair association or agricultural society may set stall or pen fees as one sum which will cover all the days of the fair. (Source: Amended at 28 Ill. Reg. 11091, effective July 23, 2004)

Section 260.40 Entry Fees and Entry Fee Certification Form

a) An entry fee shall not be more than 10% of the purse offered under one premium number, nor more than 75% of the smallest premium offered. Where either percentage is violated, the amount of the excess entry fee that was charged shall be deducted from the amount of premiums paid in that particular class when determining State Aid reimbursement.

b) The amount of the entry fee charged must be printed in the premium book for each department and shall be shown separately from stall or pen fees that are charged by the fair association or agricultural society. The entry fee shall be for each class entered and not for each animal.

c) All fairs participating in the Agricultural Premium Fund must submit an entry fee certification form to the Bureau of County Fairs and Horse Racing, on a form provided by the Bureau, signed by the fair president, secretary and treasurer stating that all entry fees are in compliance with Section 260.40(a). The entry fee certification form is to be submitted to the Bureau of County Fairs and Horse Racing at least 10 days prior to the opening day of the fair together with two premium books. A fee of \$25 will be deducted each day the form is late from the total premiums awarded at the fair. Reimbursement shall be delayed until such time the certification is received by the Bureau.

The county fair board may require specified exhibits and livestock to stay beyond the minimum 72-hour exhibition time. The number of days the exhibit or

livestock must be on the fairgrounds for exhibition shall be indicated in the Premium Book (see Section 260.55). If recommended by the county fair's veterinarian and approved by fair management, early dismissal of livestock may be granted for the following reasons: disease outbreak, severe hot weather, or other existing conditions which may result in the death of livestock. The Bureau may also grant early dismissal of livestock and other exhibits in emergency situations upon recommendation of fair management in the case where facilities have been lost due to fire, wind or heavy rain damage to tents and barns, or loss of electrical power, or if facilities cannot accommodate livestock due to space limitations. All eligible early dismissals shall be followed up in a letter to the Bureau.

b) Junior shows shall comply with Section 260.95(c) regarding the presence of livestock and on exhibits the fairgrounds.
