

Firewood may contain insect or disease pests!  
Help stop the spread of these destructive pests.

Buy Firewood Locally  
Burn Firewood Locally!!!!

You can help save our environment by not moving firewood.  
Keep firewood local; keep it in your immediate area or county.

It is a violation of Federal and State Law  
to move firewood across the state line!

If you are camping, burn all of your firewood before  
you leave the camp site.
