### Illinois Department of Agriculture FY2026 State of Illinois: Climate Pollution Reduction Grant Program

Pre-enrollment Period starts at **8 AM CST, October 6, 2025**

Program Submittal Period starts at **8 AM CST, October 15, 2025**

Program Closes at **11:59 PM CST, October 22, 2025**

### Program Overview

The Illinois Department of Agriculture (IDOA) is implementing its inaugural Climate Pollution Reduction Grant (CPRG) Program. The intent of the program is to promote the implementation of no-till and strip-till practices via the Partners for Conservation (PFC) Program and the State of Illinois Priority Climate Action Plan.

### Program Application

Users will be able to enter their information into the CPRG Program Application website and validate it during a pre-enrollment period starting at **8 a.m. on October 6, 2025**. Applications can be submitted once the program opens at **8 a.m. on October 15, 2025**. Once available, applications can be saved at any time, prior to submittal, and must be completed in full prior to the program closing at **11:59 p.m. on October 22, 2025**, to be eligible.

A link to the CPRG Program Application will be available on the Program Rules page soon.

The CPRG Program is new this year. Regardless of whether you submitted an application under previous programs, **everyone** is a **New User** and must select this link to receive their **UserName** and **PIN** or to retrieve their forgotten **UserName** or **PIN**. Once you have received your **UserName** and **PIN**, you can enter your information to **Login**.

Select this link only if you previously created an account but have since forgotten your **UserName** or **PIN**.
